tHEY MADE SOME BRUTAL BUSINESS DECISION, BUT TO BREAKUP A TECHNOLOGY COMPANY

WHO STARTED FROM SCRATCH IS DISASTEROUS AGAINST ALL BUSINESS GROWTH PRINCIPLE. HOWEVER i BELIEVE THE SHOULD PAY A CONSIDERABLE FINE WHICH SHOULD

BE to PROVIDE INTERNET SERVICE TO SMALL COMMUNITY FARMS REALLY UNDERPRIVELED AND THEY SHOULD BE ABLE TO CHOOSE THWE INTERNETSERVICE FOR

THEIR OWN CHOICE AND msft SHOULD PAY FOR 3 YEARS.

I AM A VERU SMALL FRY INTERESTED IN BUSINESS AND TECHNOLOGY. P L E A S E get ENRON and these crooks Thanks I hope yopu give my thought some time.

Respectfully Josef Brunner
